Hi Harvey,

I am having difficulties getting to my doctor's office (Lourdes orthopedics - Riverside side) on Riverside drive as a consequence of my disability. In addition, I am having other daily life issues, such as; getting groceries, going shopping, going to the park, going to the cemetery and going to the river and hills.

It would be wonderful, if you are able to clear some of my difficulties and daily life issues.

I have and continue to pursue all avenues (individuals, organizations) available to me, such as; friends, neighbors, non-profit organizations, for profit organizations and government.

Thank you,
Rakesh.
