Hi Elon,

If you would like to connect with me, I am available (at your convenience).

I have heard from public sources of information that you have an interest in making humans an inter-planetary species.

I have an interest in Expanding and updating the Independent interest, around earth, planets and galaxy (github.com/irakeshkelm).

Shoot me a response, or invite me to your place.

Unfortunately, I reside in a very humble private residence (7 Elm Street, Binghamton, NY 13905. USA (aka Great-America) However, you are most welcome to stop by (at your convenience).

Thank you,
Rakesh.
